PRESS STATEMENT

REVOCATION OF TELEVISION CONTENT LICENCE FOR RAINBOW TELEVISION

The Malawi Communications Regulatory Authority (MACRA) would like to inform the general public that it has revoked the Television Content Licence for Rainbow Television for a substantial breach of a condition of the licence, namely, failure to pay annual licence fees set under the licence.

The revocation of Rainbow Television's licence will be effective 30 days from 9th June 2022, the date Rainbow Television received notification from MACRA revoking the licence.

MACRA wishes to advise all licensees in the Telecommunications, Broadcasting and Postal sectors that failure to pay annual licence fees is a serious breach of their licences, and they risk having their licences revoked if the fees are not paid.

Dated this 10th June 2022.

Daud Suleman

DIRECTOR GENERAL
